The Honorable Board of Supervisors
County of Los Angeles

Dear Supervisors:

**HEARING ON PUBLISHED CHARGES FOR FISCAL YEAR 2010-11
(ALL SUPERVISORIAL DISTRICTS)
(3 VOTES)**

SUBJECT

Request approval to establish Published Charges for Fiscal Year 2010-11 to comply with State and federal reimbursement requirements.

IT IS RECOMMENDED THAT YOUR BOARD, AFTER THE PUBLIC HEARING:

Approve the Department of Mental Health's (DMH) proposed Published Charges (Attachment) for Fiscal Year (FY) 2010-11, effective July 1, 2010, to comply with State and Federal Short-Doyle/Medi-Cal (SD/MC) Lower of Cost or Charges (LCC) reimbursement and routine cost requirements.

PURPOSE/JUSTIFICATION OF RECOMMENDED ACTIONS

Board action is required to ensure that Published Charges are established in compliance with Medi-Cal requirements. The recovery of federal revenues in compliance with State and federal regulations necessitates that Published Charges be established at least annually. Federal requirements stipulate that Published Charges are to be determined at the County level. The recommended Published Charges comply with SD/MC requirements.

Implementation of Strategic Plan Goals

The recommended action is consistent with the County's Strategic Plan Goal 1, Operational Effectiveness, and Goal 4, Health and Mental Health.

"To Enrich Lives Through Effective And Caring Service"

FISCAL IMPACT/FINANCING

There is no increase in net County cost.

Federal LCC audit disallowances will be avoided due to compliance with SD/MC regulations. DMH has not included any charges, which are set by either State or federal agencies, for which it has no jurisdictional rate setting authority. DMH will bill those charges as directed by those authorities.

FACTS AND PROVISIONS/LEGAL REQUIREMENTS

The Published Charges for FY 2010-11 would have been developed based on actual cost and statistical data reported in the Annual Cost Report for FY 2008-09. However, due to the State's delay in providing the Annual Cost Report template, the FY 2008-09 Annual Cost Report will not be available until the end of FY 2009-10. Therefore, DMH recommends extending the FY 2009-10 Published Charges to comply with the requirement of establishing annual Published Charges.

When additional information is available (i.e., FY 2008-09 Annual Cost Report), DMH will review the current Published Charges and propose, if necessary, revised Published Charges.

In FY 2003-04, the Board approved revised Published Charges permitting DMH to reflect two sets of rates for Medi-Cal and non-Medi-Cal responsible financial parties. The rates for Medi-Cal plans do not include administrative overhead costs, while the non-Medi-Cal rates do include administrative overhead costs for all services that are billed to non-Medi-Cal responsible financial parties. Medi-Cal administrative overhead costs are reimbursed through a separate and specific State-mandated reimbursement method, and the methodology to calculate the Published Charges to bill Medi-Cal plans remains the same as originally approved by your Board.

The public hearing notice requirements of Government Code Section 6062a have been satisfied, and the public hearing requirements of Government Code Section 66018 will be satisfied by this action.

IMPACT ON CURRENT SERVICES

There is no impact on current services.

The recommended extension of the Published Charges for FY 2010-11 will become effective July 1, 2010. Failure to establish annual Published Charges will result in non-compliance with Federal SD/MC LCC reimbursement and routine cost requirements.

CONCLUSION

DMH will need one copy of the adopted Board action. DMH requests that the Executive Officer of the Board notify DMH's Contracts Development and Administration Division at (213) 738-4684 when this document is available.

Respectfully submitted,

Marvin J. Southard, D.S.W.
Director of Mental Health
